ABOUT SHOUGU

Built on comfort, SHOUGU is committed to creating a sense of ease and reassurance for every wearer. From product design and development, material selection, last precision, outsole shaping, to upper fit, years of dedicated research have enabled SHOUGU to develop its own distinctive last that delivers lasting comfort for women's feet.

SHOUGU devotes itself wholeheartedly to the craft of shoemaking, producing original-design footwear that brings together comfort, style and quality. A fully integrated online supply chain system — from production line to sales terminal — ensures fast response and efficient connection throughout.
